

South Anchorage High School Boys Basketball (SABBBC) Program

Dear Friends of South Anchorage High School Boys Basketball,

2025-2026 Season

We are once again looking to the greater Alaska community in search of businesses and individuals who may be willing to sponsor or advertise with our South Anchorage High School Boys Basketball team for the upcoming season. Thank you for considering South Basketball as a place to advertise and invest in our community. The South Anchorage Boys Basketball Booster Club (SABBBC) is a 501 (c) 3 non-profit organization of volunteers that are dedicated to supporting our Head Coach, Jamaal Siah, and his staff in creating opportunities for the development of the young men of Wolverine Basketball as individual players and as a team.

In these days of dwindling budgets, the Anchorage School District is only able and willing to cover a small part of what it takes to establish and fund a successful basketball program on an annual basis. Basic costs like team gear, tournament fees, new basketballs, and any travel outside the Anchorage bowl (including the Valley or the Peninsula) are examples of what costs our Booster Club has historically covered. We are dedicated to supporting the South Basketball Program by assisting the players and families in requesting support from businesses, corporations and individuals so that our program and these young athletes can succeed and develop.

If you would like to sponsor or advertise, please go to <https://southanchoragebasketball.org/sponsor/> and consider becoming a member of one of the following club levels and join us in our efforts to develop a great team and build a premier program for the future. We can also accept checks payable to SABBBC and will arrange pick up or checks can be mailed. If you have questions, feel free to call or e-mail.

We greatly appreciate your consideration and thank you for your support!
